

AIHA –Tennessee Valley Section February Program

"Nanotechnology Update for IHs: Toxicology and Exposure Assessment"

Sagebrush Steakhouse in Oak Ridge - 390 S. Illinois Avenue

Thursday, February 21st, 2008
from 11:30 a.m. - 2:00 p.m. EST

0.5 IH CM Points Available

At the completion, the participants will be able to:

- Describe how nanotoxicology issues fit into an overall risk assessment and risk management framework for nanotechnology.
- Understand the toxicological properties of nanoparticles of concern for the health and safety of workers and consumers, including:
 - Properties of nanoparticles that may lead to enhanced bioactivity.
 - Possible pulmonary responses to inhaled nanoparticles.
 - Possible systemic responses to inhaled nanoparticles.
 - Possible responses to dermal exposure to nanoparticles.
- Understand and apply approaches for evaluating and managing risks for handling nanomaterials in the presence of uncertainty

More Information: <http://www.aiha.org/Content/CE/DL/NanotechUpdateTeleWeb.htm>

Attendance is free for current AIHA-TVS members. For certification maintenance points, a completed exam must be returned to National AIHA along with a \$35 processing fee. Exams will be available the day of the seminar. Non-members can attend the seminar for \$25 which also includes membership in the Tennessee Valley Local Section for the 2008 calendar year. What a deal! Attendees will be responsible for their lunch at the Sagebrush Steakhouse.

Please email Don Westbrook at dwestbrook@eastman.com if you are planning to attend. We are looking forward to seeing you there!
