

Daniel J. Bowman, DOE EM-Industrial Hygienist, has 15 years experience in occupational safety and health within the federal and private sectors. Dan has a Bachelor of Science in Physics/Health Physics and a Masters in Public/Environmental Health. He is also a Certified Safety Professional (CSP) and Registered Radiation Protection Technologist (NRRPT).

Before beginning service with the U.S. Department of Energy's Oak Ridge Operations in 2009, Dan was an Industrial Hygienist / Compliance Officer with the U.S. Occupational Safety and Health Administration (OSHA) for 6 years. Prior to that, he held various technical positions as a contractor at both the Hanford site in WA and Brookhaven National Laboratory in NY; primarily in support of decommissioning and soil remediation projects.

He currently lives near Loudon TN with his wife Gail.
